

Friday 22nd April 2022

In this issue: Welcome / Junior Road Safety / Year 6 Writing Process / Year 4 Science Visit / Design Technology Day / Easter Bonnet Parade / Coffee Mornings / Attendance

Dear **Parents and Carers,**

It has been a busy week since we returned from the Easter break. This week classes across the school have celebrated the holiday homework projects which have been completed in preparation for new learning this half term. As part of our teaching pedagogy we regularly revisit prior learning in order to help children make connections and to know more and remember more over time, this includes reviewing the research children have done outside of school as well as revisiting learning covered in previous school years. Thank you for the time and support given to your child in undertaking the homework set!

Enrichment happens across the curriculum and provides opportunities to develop independent learning skills as well as celebrating specific curriculum focus areas. Next week we will be celebrating Families' Week and will be looking at the different types of family make up. We have linked the week with the key themes of love, respect, tolerance and belonging. In this week, we will be using some of the resources from Stonewall. Celebrating and acknowledging the different types of families is crucial to helping children develop empathy and value others. Later this term we will also be holding our Science Day, rescheduled from the Spring Term and in June our Keeping Healthy Week with a focus on physical and mental health.

Pupil voice is a key feature of our school and, as you have seen from previous newsletters, we think it is very important that children are given a platform to know how to raise their issues. A particular success has been joining up our pupil teams for meetings across our three school sites (and three Hackney post codes) including our School Councillors, Peer Mediators and Eco Team. Our Eco Team have recently hosted a sustainability event which 20 schools in Hackney attended. They were very impressed that Viridis Schools are the **ONLY** schools in Hackney to currently hold the Eco Schools Green Flag Award!

Thank you for your support.

Ms Aimee Walker
Headteacher

Ms Rachel Davie
Executive Headteacher

JUNIOR ROAD SAFETY

The JRSOs were visited by Max Moorcroft to prepare a session for the EYFS children. They discussed keeping the information clear and simple, with the key ideas being that young children should hold an adults' hand and remember the 4 rules: **stop, look, listen, think**.

YEAR 6 WRITING PROCESS

Year 6 pupils have thoroughly enjoyed developing their own writing based on the novel *Holes*. To support the writing process, the pupils worked collaboratively to edit and improve their writing with a partner by carefully considering the effectiveness of language and sentence structure.

YEAR 4 SCIENCE VISIT

Our Year 4 pupils visited Hampstead Heath to support their Science topic "Living Things." The children had a fantastic time hunting for mini beasts and learning more about their habitats from the experts who worked with them. By the end of the session, the children were able to articulate their understanding and sort different living things into groups.

WE ARE A SMART SCHOOL
BLACK SCHOOL SHOES NOT TRAINERS TO SCHOOL PLEASE!

DESIGN TECHNOLOGY DAY

EASTER BONNET PARADE

KS1 had a productive day creating products for their Design Technology day. Year 1 created moving picture books using slider mechanisms and levers. While Year 2 designed and created their own healthy packed lunch using a range of ingredients. Thank you to all the adults who came a long to help!

At the end of Spring term, a significant number of children from Nursery to Year 6 delighted our school community with their fantastic Easter bonnet creations, as they took part in our annual Easter Bonnet Parade. Here are a few of those fabulous designs!

COFFEE MORNINGS

Coffee mornings run in the lower hall at 9:15am on Friday mornings. We hope that you can make time to drop in and join us.

Tea, coffee and biscuits are all provided!

Date	Focus
Friday 29 th April	PSHCE: How do we celebrate diversity through our curriculum? (Families Week)
Friday 6 th May	Humanities: What key themes taught and revisited throughout the Humanities curriculum?
Friday 13 th May	Reading: How do we teach comprehension skills?
Friday 20 th May	Science: How best can I support my child to develop their Science, Technology, Engineering and Maths (STEM)
Friday 27 th May	Maths: How can I support my child to learn times tables?
